

ERMS - SLA

ABOUT THE PROJECT

The important task in this project involves management of entire Electoral Roll of the State. This involves carrying out delimitation related changes, Rationalization of polling stations, sub-division of parts into sections, revision and continuous updation of Electoral Roll, printing and publication of Electoral Roll, printing and distribution of Voting cards, Registration of new voters, Correction of details in the voting card and co-ordination with ECI with matters pertaining to guidelines issued by ECI from time to time. For facilitation of citizen, VOTERS FACILITATION CENTRES are set up in all Mamlatdar Offices across all talukas.

Also a Helpline with no. 1950 is set up at the Office of Chief Electoral Officer, Altinho, Panaji for citizen.

The project aims to efficiently manage the entire Electoral Roll of the State by carrying out various tasks such as delimitation, rationalization of polling stations, continuous updation, printing and publication, voter registration, correction of details, and coordination with the ECI.

BENEFITS OF THE PROJECT TO CITIZEN

Easy registration process:

The scheme provides facilities such as Voters Facilitation Centres in all Mamlatdar Offices across talukas. These centers serve as convenient locations where users can register as voters, make corrections to their voting cards, and obtain necessary assistance related to electoral matters. This simplifies the registration process and makes it more user-friendly.

Accessible helpline for support:

The scheme establishes a helpline with the number 1950 at the Office of the Chief Electoral Officer. This helpline serves as a dedicated point of contact for users to seek assistance, clarification, and guidance regarding electoral matters. Users can reach out to the helpline for any queries or concerns they may have, ensuring they receive prompt support.
