IMPACT ASSESSMENT SURVEY

SCHEME NAME : -

- 1) DAYANAND SOCIAL SECURITY SCHEME**
- 2) GRIHA ADHAR SCHEME**

ABOUT THE PROJECT

Impact Assessment Survey (IAS) was conducted with an aim to know how beneficial schemes like Dayanand Social Security Scheme and Griha Aadhar scheme have been and to identify the impact of these schemes based on social and economic parameters on the lives of the beneficiaries.

A total of 2,89,731 beneficiaries were surveyed. The survey identified cases in categories as Genuine, Doubtful, Expired, House Not Traceable, Migrated etc.

The survey has been instrumental especially in weeding out beneficiaries who were identified as INELIGIBLE to avail these schemes thereby saving considerable revenue of the State.

The Impact Assessment Survey has helped the government to ascertain that the benefits are reaching the truly eligible persons.
